TO OUR BEAUTIFUL COMMUNITY...

News and Happenings

Georgie and Kristine from Bee Me Sensory Gym had the opportunity to bring joy to The Salvation Army Tree of Lights Family Festival on November 13.

We love sharing our mission of inclusive play and setting up our little stations at community events. Spreading cheer in our therapeutic way!

Trunk Or Treats

Meagan, Kristine, and her daughters participated in community trunk or treats this fall. Our gratitude to Autism Family Network and Lincoln Airport for asking us to join them and for the chance to spread awareness of our mission here at the gym.

Characters

Costumes, Characters, & Fun was a hit! In partnership with Little Beans Play Cafe, we brought our gym friends' favorite characters to play alongside all the children. Dinner, themed games, music, sensory bins, and photo ops truly made this night magical!

Workshop

In October we hosted our first professional development workshop. Huge thank you to Kristin Pfeil OT from Connect Pediatric and Jen Trausch SPL for presenting to early childhood providers. Sharing your expertise makes an impact beyond our walls!

Families will have the opportunity to play, decorate your own cookie for dessert, and have both candid and staged pictures to enjoy for years to come.
