TO OUR BEAUTIFUL COMMUNITY...

News and Happenings

Since opening, November 12, 2024, Bee Me Sensory Gym has been a welcomed new addition to the community. A feel of comfort, safety, cleanliness, understanding, and fun are just a few of the reasons we are quickly becoming "my favorite place!"

The VERY FIRST INDOOR INCLUSIVE SENSORY GYM in LINCOLN for families, schools, and community groups. "My kids have officially been more entertained here than other places in town!" But we aren't just an "indoor play place." We are an inclusive space and community that is teaching acceptance, inclusion, and self-love...it is okay to BEE ME!

We have welcomed a number of school groups for field trips that combine active play with social and sensory development. These visits allow students to explore, learn, and interact in ways that complement classroom learning.

Family Date Night

Valentine's Family Date Night in partnership with M. Flodman Photography & Inspire Pediatric Therapy was amazing! Families enjoyed the 'love' of themselves and who they are with candid family photos and play! The event was designed to encourage connection, creativity, and fun in an inclusive environment.

Glow Party

Our Neon Nights Glow Party, in collaboration with Relentless OT, brought children and families together for an evening of movement, music, and sensory play. It was a beautiful night to play and explore! The dark gym was pretty spectacular! [Click here to check it out!](#)

B-Day Parties

In addition, the gym has continued to serve as a favorite spot for birthday parties, offering customized celebrations that give children a supportive and engaging space to enjoy their special day. But it's not just for kids! Host your family reunion! Mess Free!
