### FILL THE HIVE SPONSORSHIP PROGRAM

## SPONSOR DAY

We hosted a wonderful private event in which participants in our sponsorship program were able to meet and thank their sponsors while showing them how they've benefited from being a part of Bee Me. Sponsors are an integral part of Bee Me and we are incredibly thankful for all they are able to provide to our community.

Interested in becoming a sponsor?  
Visit our website or give us a call, we'd love to share all about it with you.

## We will miss you, Miss Georgie!

We feel so fortunate to have had Miss Georgie be a part of Bee Me since we opened. She is off to pursue more within the OT field and we wish her nothing but the best! Thank you Georgie for all the fun, laughs, and challenges you provided to our Bee Family.

## Community Engagement

Galliant Autism Care & ABA Center hosted an event for the community to bring an inclusive community together for individuals impacted by autism and their families. We are so fortunate to be able to provide this space for those seeking it.

Nebraska Lifespan Respite Network held an event to spread awareness about their program and the ability to use respite services here at the gym. It was a great afternoon and hope it brought comfort to know you can always find respite here at Bee Me.

## News and Happenings

**Sensory fun for even the smallest of friends.**

### SENSORY DAY AT THE BALLPARK

Sensory Day at the Ballpark with the Husker Men's Baseball team was a wonderful community outreach event. We provided three sensory engaging stations as well as a calming suite for reduced stimuli to allow for families and individuals impacted by disabilities to spend a fun family day watching a great game. We hope to see this event continued in the future.

**Kristine and Meagan loved seeing friends from Bee Me as well as meeting other families who benefited from Sensory Day**
